

StudentDV

April 2007 – Show 28

This month on Student DV...

Main Avenue Elementary School shows us why lice are not nice,
Center High School presents a documentary on a dance clinic for young kids.
Foothill Farms Junior High explores Social Science Standard 8.2.5,
And Center High School's Vernon Bisho stops by with some video production techniques.

Vernon Bisho

Center High School teacher Vernon Bisho brings us video production techniques that can be used to enhance a video and make it more effective and professional.
