2007-2008 – Show 35

## **This month on Student DV...**

Students from Will Rogers Middle School show us the dangers of running in the halls, Pleasant Grove Elementary presents their school news broadcast, and Nick G. The Science Geek stops by to show us a cool science experiment.

## **Nick G. The Science Geek – Magnet Amazement (27:20)**

Have you ever dropped a paperclip into your glass of water? Ok then, maybe you haven't. But if you did, do you know how to get it out without pouring your water out, or sticking anything in the cup? Nick G. The Science Geek does, and he'll tell us how in this episode of StudentDV.
